The **Mission Anchor** and the **Founder and Steward Class** bind every entity, every officer, every employee, every contractor, and every material vendor or partner, regardless of which company they touch. Customer-asset segregation, no rehypothecation, no debanking-coalition participation, no programmable-restriction infrastructure, and lawful-process-only data disclosure operate across the entire group.

Notes · All subsidiaries are 100% owned by 4orm Finance and separately incorporated in Alberta to align regulator-specific licensing with the entity that holds the licence. · Trust charter to be selected at incorporation: provincial (Alberta Treasury Board and Finance) preferred for an Alberta-first build; federal (OSFI, Trust and Loan Companies Act) optional. · Capital Markets holds the Exempt Market Dealer, Investment Fund Manager, and Portfolio Manager registrations under NI 31-103. Token issuance is treated as a distribution of securities under NI 45-106 exemptions where applicable. · Future entities under consideration: a cross-border expansion holding, a foundation for education and stewardship, and a proprietary insurance entity post-Series A.
